*** A BIG THANK YOU TO ALL THE FELLOWSHIP LUNCHERS ***

for all your support over the years. During this time we have raised money for St Peter's Church, Loos 4U and recently I have used the money to update the kitchen, the dishwasher, new cooker, cooker hoods to try and keep it cool, gravy boats, creamer jugs and new white plates and bowls and baskets to keep all the equipment separately to make things easy to find. The cooker was donated to us by a member of St Marks, in return I offered to do a *Tea at the Ritz* for their roof work; unfortunately it didn't happen, so I donated £100 from our money.

As you all know, we are slowly trying to drag the Church Centre up to date with lots of TLC to make it a place to come and meet each other. We now need some comfortable seating; the chairs we use need replacing along with smaller tables and chairs for our younger family members. We need to decide on what style and how many chairs we need and look at the table and chairs that meet the practical needs we have in the future to help Robin, our new Children's and Families Minister.

I am willing to cook for you if you are willing to give as generously as you have in the past.
God Bless. Martin

REV BEV'S REFLECTION

Dear Brothers and Sisters in Christ

During Eastertide, with joyful hearts we celebrated the resurrection of our Lord Jesus Christ: his bursting from the tomb, his defeat of the power of sin and death, and his many appearances to the disciples where he told them about the awesome kingdom of God.

At Jesus' ascension, we recall how he left this earth and returned to his Father, ascending into heaven to take his throne over all dominions and powers. Trusting in his reign over all creation, and submitting to his kingly yet loving rule, let us pray that the 'Global Wave of Prayer' will result in many people hearing the good news of God's Kingdom. Let us also pray for our 'Community Audit' that people in our community will be drawn to hear God's Word and be open to receiving his wonderful gift of love and forgiveness.
Rev Bev
