# Notes & News

**Sunday 17 June 2018 Trinity 3**

*Jesus also said, "This is what the kingdom of God is like. A man scatters seed on the ground. Night and day, whether he sleeps or gets up, the seed sprouts and grows, though he does not know how.*

*All by itself the soil produces corn – first the stalk, then the ear, then the full grain in the ear. As soon as the corn is ripe, he puts the sickle to it, because the harvest has come."*

Mark 4: 26–28

### \* RACHEL'S LICENSING - SATURDAY 23 JUNE - 5.30pm – ST PAUL'S, DORKING \*

Rachel Johnson will be licensed as a Licensed Lay Minister on 23 June at Dorking. It would be great if many from the parish could come along and support her on this special occasion.

If you are planning to come to this special service there is some extra information below about parking. If you would like a lift, or can offer a lift, please contact Helen in the office. After the service there will be light refreshments.

Address: St Paul's Church, St Paul's Road West, Dorking RH4 2HT  
<https://www.stpaulsdorking.org.uk/>

Parking: St Paul's is in a residential area, and street parking nearby is usually not difficult, but please be sensitive to local residents' needs. Alternatively you can turn right shortly before the church and then right again, and park in the Community Hospital car park which is used by the church at weekends. There may also be parking available in the church school car park. Do allow enough time to find the church and to park.

### \* FUN DAY FLYERS \*

Bundles of flyers are available in St Peter's for delivery to local roads (other roads are being covered by New Life Church). Please do take a bundle to deliver over the next week or two if you possibly can.

**\* ARE YOU A CARER? \***

**What?** Carers' Week is being celebrated from 11-17 June. Many people look after family and friends with complex health conditions and this can be hugely rewarding. However, it can also impact on the health and wellbeing of the carer who may see it as a private matter and may not always identify him/herself as a carer. In recognition of our need to care for the carers in our midst, we are setting up a Carers' Network across the Parish. The network will be made up from a list of (vetted) people – details to follow.

**Why?** The aim of the network is to support carers, to let them know that they are not alone. There is a trusted colleague or friend whom they can call on for a chat over a cuppa.

**When?** Our intention is to launch it with a Carers' Tea Party in mid-July, date to be decided. If you feel this is something with which you, a carer, would like to be involved, please put your name on the list at the back of church and/or contact Rev Bev. (Details on the back of this Notes and News).

**VICAR'S VIEW**

*Everyone loves a good British summer, don't they, and we seem to be having one this year? The warm sunny days, the long evenings, the roses in full bloom, fresh strawberries, the village fetes, BBQs, not to mention your choice of sport to watch if you are so minded – test cricket, Wimbledon and this year the World Cup.*

*Yet we've been reminded this week that it was a year ago last summer when the tragedy of Grenfell Tower struck. Seventy-two lives lost, hundreds of people made homeless having lost everything they owned and hundreds more severely affected by the loss of loved ones.*

*We live in an uncertain world where one moment everything can be glorious and the next tragedy can strike. But as Christians we have the certainty that Jesus Christ is the same yesterday, today and forever so that whatever is going on in our lives he is our rock that remains firm. That's why we need to build our lives on Jesus, our rock, not on the hope of a wonderful British summer, though let's hope this year's lasts a bit longer!*
