**\* UPDATE FROM MISSION PARTNERS IN UGANDA -  
SARAH AND SIMON CAWDELL \***

The latest newsletter from our mission partners, Sarah and Simon Cawdell, in Uganda is available on our website and at each church. Please do read and pray for their important work.

**Excerpt from prayer letter**

In college the first years have settled in well. The Minister for Social Affairs has organised weekly football matches internal to college which provide exercise and entertainment on Tuesday afternoons. Unfortunately injuries also occur, but the health centre is well placed at the top of the football pitch! I am really enjoying teaching the writings of Luke (Luke and Acts) to year 2 and the non Pauline Epistles to Year 3.

We also enjoy an informal evening Bible Study twice a week on Leviticus (their choice, not mine). You would be surprised what an interesting book this has become with a great deal of help from a commentary by the late Rabbi Jonathan Sacks.

Simon, in between farming exertions, is teaching his business and stewardship course to the third years, which always produces some good experiments in entrepreneurship.

Please pray for us as we continue to negotiate the bureaucracy; for good relationships with the community who work in the Diocesan Garden, and for peaceable living in the college as term progresses. We are looking forward to a visit next week from the Langham preaching course to present Part two - 'Preaching from the Old Testament.'

May God bless you as you enter the summer and the long Trinity Season of rejoicing in Jesus' life and ministry. Love and thanks from Simon and Sarah.
