UPDATE FROM ST MICHAEL'S SHEERWATER

Gracie Luke, the Community Worker at St Michael's writes:

"We are so grateful for the support of our volunteers, most of them from other churches, as well as the financial and prayer support of others to help us continue all we do in the local community and schools. The Bishop's Mission Order (BMO) ended in June this year and we have now joined back with All Saints Woodham. Although we are still 2 very different separate congregations we look forward to working together across the parish of Woodham and Sheerwater.

The groups held in the church are going well, however we are struggling with low numbers attending our Tots Praise group on Thursdays.

We are excited that this December we will be starting to go once a month into the local Nursery school which is attached to Broadmere school where we already do a monthly assembly. We have also just been asked to host a Christmas story and activity session in St Michael's church for the year 1 class of Broadmere school. Please pray for all we do and for what is to come as we continue to serve God in this community. Thank you for your support."
